

Launching in October 2008 ...

Africa Geographic Digital

The sights and sounds of the wild are just a click away

An entirely new way of experiencing your favourite magazine

Africa Geographic Digital is a groundbreaking way to experience the continent and its wildlife. Featuring content that differs completely from its printed counterpart, this unique digital magazine offers you the very best of print and digital worlds in one accessible format.

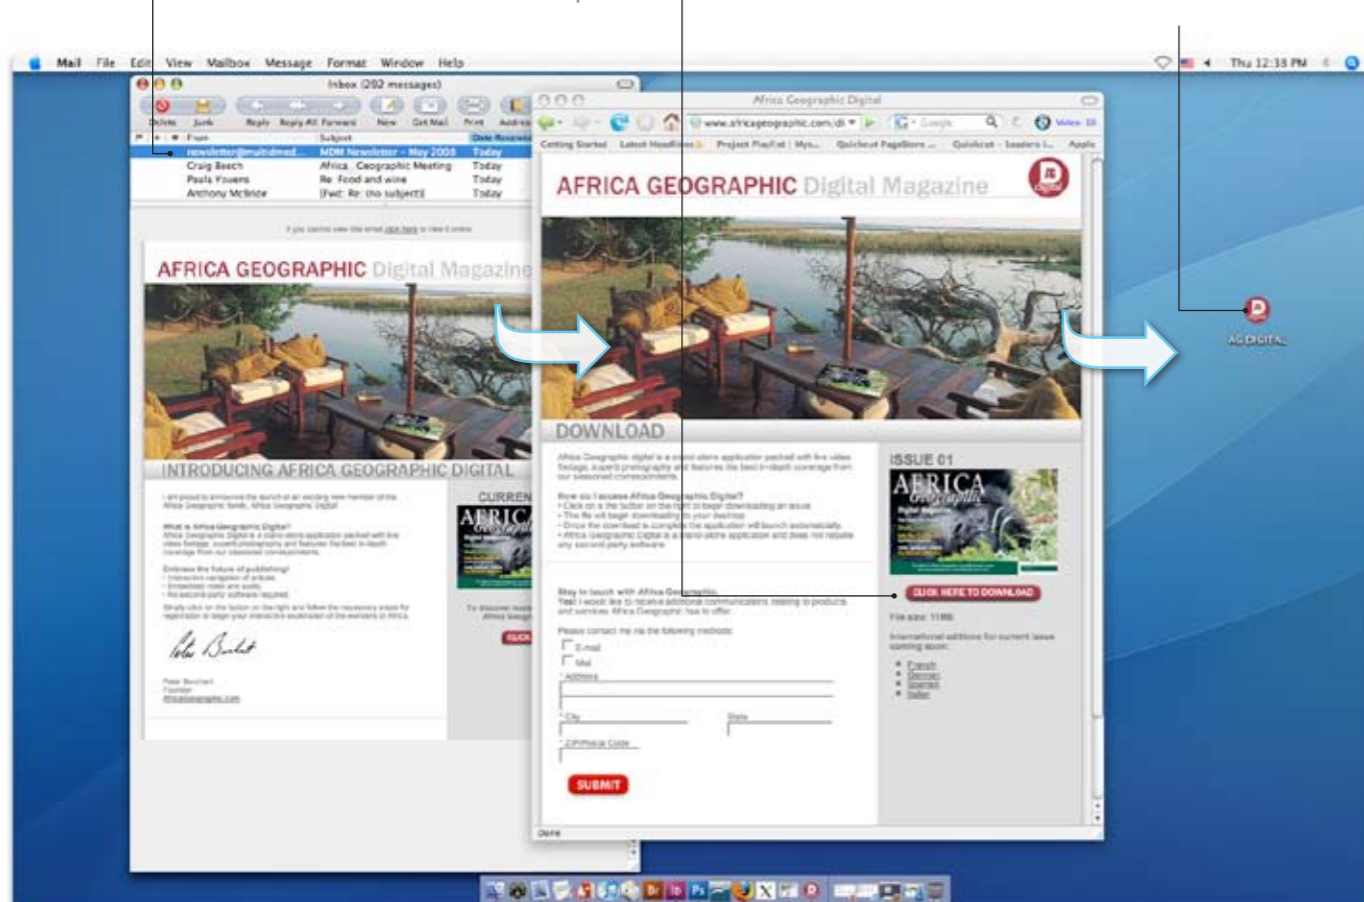

To receive *Africa Geographic Digital* bi-monthly, all you need is an e-mail address and high-speed Internet access. We will send you an e-mail with a link to the latest issue. Simply download the user-friendly application and a wealth of stories, photographs, videos and sounds is a double-click away. It's that simple – no additional software is required.

How it works

1 You receive an e-mail
We send you an e-mail informing you that the latest edition of *Africa Geographic Digital* is available for download.

2 You download
Follow the prompts to the website and log in to gain access to the download page. Click to download the magazine to your computer.

3 The digital magazine is ready to be viewed
Once the download is complete, the digital magazine can be explored at your leisure.

To be viewed at your leisure

Africa Geographic Digital opens like any other programme on your computer. Keep it on your desktop, or in a folder of your choice, and browse through it at your leisure. The magazine's features are filled with embedded video, sound and animation clips – so once it is downloaded you can enjoy it at any time, whether you're online or not. If you are connected to the Internet, you can make use of the many extra website links and online features provided.

Interactive Click on the page to navigate. Every page contains multiple layers of information, as well as links to extra features on the Internet.

Audio clips Interviews, bush calls, tracks from featured artists and much more.

Video clips Footage of wildlife in action, interviews with selected authors and conservation personalities.

FREE to magazine subscribers

Our valued magazine subscribers get *Africa Geographic Digital* free! (Everyone else pays US\$9 per year.) Simply ensure that you have a current subscription to *Africa Geographic* or *Africa – Birds & Birding* and that we have your e-mail address on record. If you have any queries, please e-mail subscriptions@africageographic.com. If you are not a magazine subscriber, you still can sign up for the digital magazine. Simply send your e-mail address and payment details to subscriptions@africageographic.com. Alternatively, tel. (+27-21) 762 2180, fax (+27-21) 762 2246, or visit www.africageographic.com
